**Date:** November 22, 2010

**Re: External Review, Department of Chemical Engineering and Applied Chemistry**

An external review of the Department of Chemical Engineering and Applied Chemistry has been set for December 1-2, 2010.

Three eminent colleagues from leading peer institutions have agreed to form the review team.

They are:

**Professor Andrew Gellman**, Head, Department of Chemical Engineering, Carnegie Mellon University

**Professor Andrew Hrymak**, Dean, Faculty of Engineering, University of Western Ontario and former Chair, Department of Chemical Engineering, McMaster University

**Professor James Tiedje**, Director, Center for Microbial Ecology, Michigan State University

Members of the Faculty who would like to offer comments toward the review of Chemical Engineering and Applied Chemistry are asked to send them via email to Lisa Simpson-Camilleri ([lisa@utoronto.ca](mailto:lisa@utoronto.ca)).

Please circulate this memorandum to any member of the Faculty who may not have received it through the general distribution.
