Re: **External review of the Department of Chemical Engineering & Applied Chemistry and its programs**

An external review of the Department of Chemical Engineering & Applied Chemistry and its programs has been set for March 3 and 4, 2016.

Four eminent colleagues have agreed to form the review team. They are:

Jennifer Sinclair Curtis, PhD

Distinguished Professor, Chemical Engineering and Associate Dean, Research and Facilities, University of Florida

Peter Englezos, PhD

Professor and Department Head, Chemical and Biological Engineering
University of British Columbia

Andrew Hrymak, PhD

Professor, Chemical and Biochemical Engineering and Dean, Faculty of Engineering
Western University

Marc Deshusses, PhD

Professor, Civil and Environmental Engineering
Duke University

Members of the Faculty who would like to offer comments toward the review are asked to send them via email to Caroline Ziegler (caroline@ecf.utoronto.ca).

Please circulate this memorandum to any member of the Faculty who may not have received it through the general distribution.
