

UNIVERSITY OF TORONTO
FACULTY OF APPLIED SCIENCE & ENGINEERING

Cristina Amon, Dean

MEMORANDUM

2017-18/05

To: Members of the Faculty of Applied Science & Engineering

From: Cristina Amon

Date: November 11, 2017

Re: **Draft 2017 – 2022 Academic Plan for review**

We have received thoughtful and comprehensive feedback regarding the draft *2017 – 2022 Academic Planning Framework*. Thank you for reviewing the document and providing your comments.

The *2017 – 2022 Academic Planning Framework* was developed from a wide range of consultations with our U of T Engineering Community. From this document, we have now created the *2017 – 2022 Academic Plan* draft for your review.

Our plan outlines our academic priorities for what we want to achieve over the next five years. In addition, a compendium document is being completed and will include an implementation plan with actions to reach our goals, and the metrics to measure progress.

I would welcome your feedback on the *2017 – 2022 Academic Plan*, which is posted online for feedback at <http://uoft.me/FASEacademicplanning>. Please share this link with colleagues within the Faculty who may wish to review the plan. Any comments may be submitted to governance.fase@ecf.utoronto.ca by November 17, 2017.

The academic plan will be finalized and presented to the Executive Committee on November 20 and Faculty Council on December 12. From our Faculty Council the academic plan will go to Planning & Budget in early 2018 for approval.

Thank you for your contributions towards our next five years of academic planning. Your dedication and commitment to all the consultations to date are greatly appreciated.
