

UNIVERSITY OF TORONTO
FACULTY OF APPLIED SCIENCE & ENGINEERING

This job is posted in accordance with the CUPE 3902 – Unit 1 Collective Agreement.

Job Posting Date: July 19, 2018

Application Deadline: August 9, 2018

Position: Teaching Assistants for the Prospective Professors in Training (PPIT) Program, Faculty of Applied Science and Engineering, University of Toronto

Teaching Assistant (2 positions - 70 hours each)

The Prospective Professor in Training Program is designed to support graduate students in preparing for a career in Academia. Students have an opportunity, through various workshops and seminars, to learn more about teaching and research. Students in the program are required to take a graduate course in engineering teaching and learning (APS1203), which focuses on student learning and course development.

Duties will include supporting the application process for PPIT, organizing workshops for participants, creating a sense of community and supporting academic dossier development. The incumbents will also provide support for APS1203, a graduate course in engineering teaching & learning. Duties will include assessment, the organization of microteaching sessions and management of PPTI Faculty & Quercus websites.

Qualifications: An interest in engineering teaching and learning, leadership and professional development. An ability to effectively network with faculty and staff, and experience organizing workshops. Experience assessing written work. Past experience as a PPIT participant is an asset.

Rate of Pay:

Current TA rates for Fall session: U/G \$44.44/hour; SGS I: \$44.44/hour; SGS II: \$44.44/hour

Current TA rates for Winter session: U/G \$45.33/hour; SGS I: \$45.33/hour; SGS II: \$45.33/hour

Date of appointment: September 2018 – June 2019

For more information about the PPIT program, see <http://gradstudies.engineering.utoronto.ca/prospective-professors-in-training>.

Notes:

1. TA position and hours posted are tentative, pending final course determination and enrollment.
2. The Vice-Dean of Graduate Studies in the Faculty of Applied Science & Engineering has the sole authority to offer the above TA positions.
3. CUPE 3902 Unit 1 Collective Agreement is available at <http://agreements.hrandequity.utoronto.ca>.

To apply for a TA position, please submit a cover letter and a CV, to David Duong, elite.meng@ecf.utoronto.ca by August 9, 2018.

Please note that should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail. Please note that the above course/position is tentative, pending final course determination and enrolments. The Faculty's hiring policy is available in the Faculty office and at the CUPE, Local 3902 office. In accordance with the Employment Equity Policy, the University of Toronto encourages applications from qualified women and men, members of visible minorities, aboriginal peoples, and persons with disabilities
