Re: **External Review of the Department of Materials Science & Engineering and its Programs**

An external review of the Department of Materials Science & Engineering and its undergraduate and graduate programs has been scheduled for February 25-26, 2019. Four eminent colleagues have agreed to form the review team. They are:

George Demopoulos, PhD

Gerald G. Hatch Professor and Department Chair, Mining and Materials Engineering, McGill University

Amit Misra, PhD

Professor and Department Chair, Materials Science and Engineering, University of Michigan

Angus Rockett, PhD

Professor and Department Head, Metallurgical and Materials Engineering, Colorado School of Mines

Mary Wells, PhD

Dean, College of Engineering and Physical Sciences, University of Guelph

Members of the Faculty who would like to offer comments toward this review are asked to send them via email to governance.fase@ecf.utoronto.ca.

Please circulate this memorandum to any member of the Faculty who may not have received it through the general distribution.
