- the Dean of the School of Graduate Studies or representative;
- one or two members of cognate departments;
- one or two students;
- a Vice-Dean of the Faculty, where appropriate;
- a librarian, where appropriate; and
- in addition, the committee may include an alumnus/a, a member of the administrative staff and, in the case of professional faculties or schools, a senior member of the appropriate professional community.

Members of the Department of Materials Science and Engineering are invited to nominate individuals to serve on the Advisory Committee **by December 7, 2018**. Please forward your suggestions to my attention at dean.engineering@ecf.utoronto.ca.
