Faculty Council (February 18, 2022)

**From:** Professor Evan Bentz  
Chair, Undergraduate Curriculum Committee

**Date:** January 24, 2022; revised February 4, 2022

**Re:** **Proposed Session Dates for the 2022-2023 Academic Year**

---

### REPORT CLASSIFICATION

This is a major policy matter that will be considered by the Executive Committee for endorsing and forwarding to Faculty Council for vote as a regular motion (requiring a simple majority of members present and voting to carry).

### BACKGROUND

The Undergraduate Curriculum Committee (UCC) is comprised of faculty representatives from undergraduate programs; undergraduate student representatives; the Vice-Dean, Undergraduate Studies; The First Year Office; the Associate Dean, Cross-Disciplinary Programs; and the Registrar. The Committee meets regularly to review and approve proposed changes to the undergraduate curriculum. This time the dates from the Faculty of Arts & Science are not yet available and thus the UCC voted on the start date for January 2022. Thursday Jan 5<sup>th</sup> received the majority of the votes partly as it allows a longer exam period in April.

The Undergraduate Curriculum Committee is responsible for determining session dates for each academic year through consultation with the Colleges and Residences, as well as with the University holiday schedule.
