EMERGENCY TA Job Posting: APS1305H/APS1308: PsychEng Seminar Series - Fall 2022

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement.

Job Posting Date: August 8, 2022
Application Deadline: August 18, 2022

Position: Teaching Assistant APS1305H/APS1308: PsychEng Seminar Series

Schedule: Tuesdays, 12-2pm

1 positions - 50 hours

APS1305/APS1308 PsychEng Seminar Series (CR/NCR) is the common core course for PsychEng students, who will complete a minimum of two sessions. Students may elect to attend subsequent years if they find the seminar helpful for research. This will help build community among the students in the specialization. The seminars will also be open to other faculty and students, to further build the PsychEng community. This will be the common learning element of the Collaborative Specialization, and will contribute towards the MIE seminar requirement for MIE students.

Presentations, workshops, and discussion will be used in the seminar course to introduce theoretical foundations, methods, and techniques related to PsychEng research. Topics may change from year to year and may include: hypothesis generation, concept and knowledge mapping, survey design, mixed methods, ethics approval, facilitating workshops, proposal writing, and preparation of manuscripts.

Faculty will present their relevant research, and students will present their work at various points to obtain feedback, with more advanced students having increasing involvement. Students will deliver a seminar on their research topic during their first term, and after designing and carrying out one or more experiments with input from other seminar participants, they will present their research results in their second term.

Duties:

- Supporting the instructor/PsychEng Director in scheduling, administering and advertising the PsychEng seminar series
- Identifying specific U of T and external faculty members with high potential interest in PsychEng
- Preparing draft correspondence to these faculty members
- Scheduling, procuring rooms (if required), and advertising PsychEng seminars by these faculty members
- Assisting in the arrangement of visits from external PsychEng seminar speakers
- Supporting and/or performing course/module development for the PsychEng seminar series

Qualifications:

- Have completed MIE1444 or APS1305
- Have background in both engineering and psychology.
- Have conducted research at the intersection of psychology and engineering.
- Have excellent communication and organizational skills.

Rate of Pay: Current TA rates: U/G: $47.17/hour; SGS I: $47.17/hour; SGS II: $47.17/hour

Date of Appointment: September 2022 – Dec 2022
Hiring Criterion: Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.
