Re: **External Review, Institute of Biomaterials and Biomedical Engineering**

An external review of the Institute of Biomaterials and Biomedical Engineering has been set for November 19-20, 2012.

Four eminent colleagues from leading peer institutions have agreed to form the review team. They are:

Monique Frize, PhD

School of Information Technology and Engineering, University of Ottawa

Kevin E. Healy, PhD

Departments of Bioengineering and Materials Science & Engineering, College of Engineering, University of California, Berkeley

Craig Henriquez, PhD

Department of Biomedical Engineering, Pratt School of Engineering, Duke University

Elliot McVeigh, PhD

Department of Biomedical Engineering, Whitaker Biomedical Engineering Institute, Johns Hopkins University School of Medicine

Members of the Faculty who would like to offer comments toward the review of IBBME are asked to send them via email to Caroline Ziegler (caroline@ecf.utoronto.ca).

Please circulate this memorandum to any member of the Faculty who may not have received it through the general distribution.
