Mezzanine above -
stacks

Individual Study
Group Study

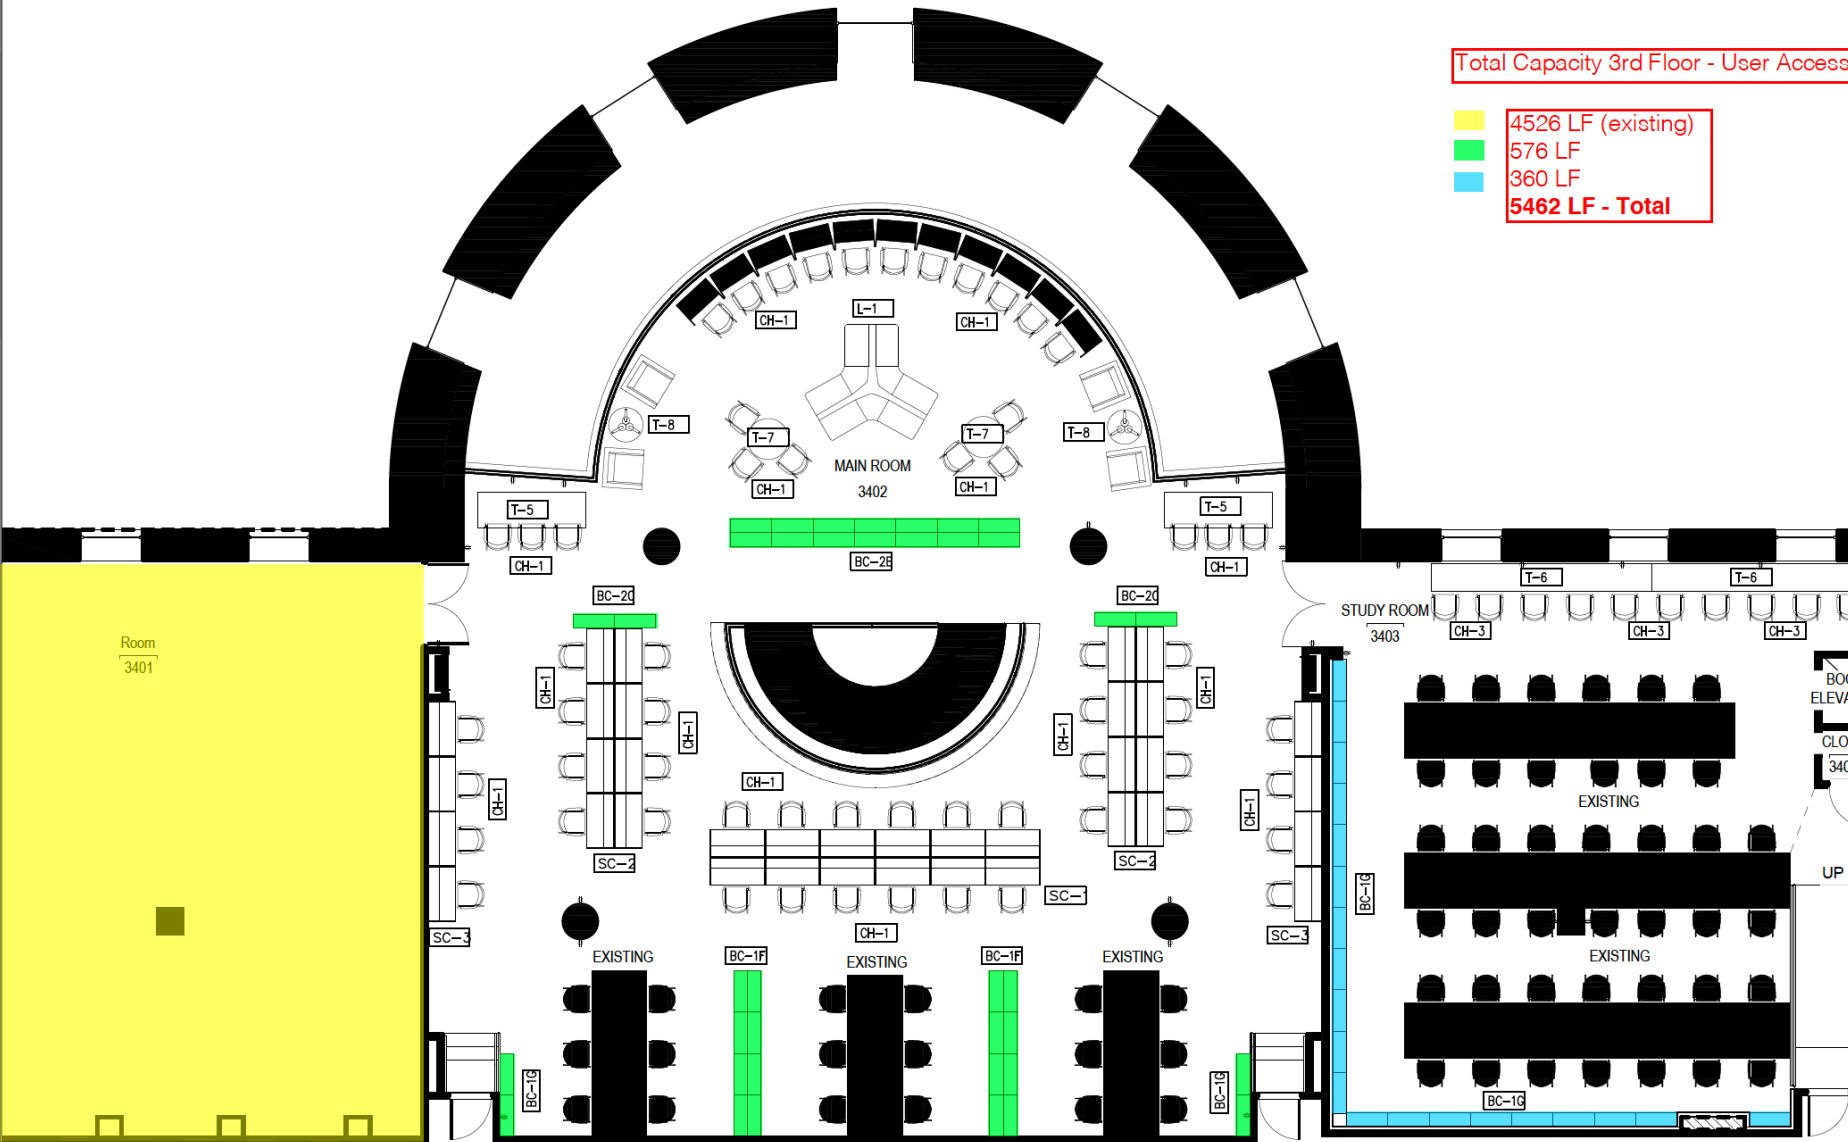

Mezzanine above -
stacks

Individual Study

Total Capacity 3rd Floor - User Accessible

- 4526 LF (existing)
- 576 LF
- 360 LF
- 5462 LF - Total**

DOWNSVIEW

Where the stuff goes...

NOT JUST COLLECTIONS AND SPACES

A few “subtle” highlights

Open Access - Tri-agency OA policy; Transformational Agreements

Research Data Management (RDM), Data Management Plan (DMP), Data Deposit -
Tri-agency RDM policy

Open Science - 5-part panel series, *Following the Roadmap for Research*:
<https://cris.utoronto.ca/related/open-science-nov2021/>

THANK YOU!

It has been a pleasure...

Hello and welcome!
