Domain: With respect to undergraduate programs, AAB(U) is responsible for hearing appeals of undergraduate students against decisions of the Standing Committees of Council relating to petitions for exemptions from the application of academic regulations or standards and to make rulings on such appeals. An AAB(U) appeal decision is final within the Faculty of Applied Science & Engineering; however, its decisions may be appealed to Governing Council's Academic Appeals Committee (AAC).

Term: Sep 1 until Aug 31 of the following year.
